Hi Elizabeth, we'll have Lori and myself for EPA, possibly a regional cleanup manager for a time for our meeting start at 0930. Rob Neely with NOAA and his contractor will be on the phone to make space in the (small) room I have at EPA.

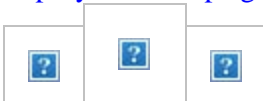

1200 would be an ideal end time. I believe Matt McClincy and Sarah Greenfield may call in from DEQ. Bob Wyatt and Patti Dost are also planning on attending.

Could you resend your list of attendees to DEQ and EPA? I seem to have misplaced it.

Thank you.

Sean, In connection with tomorrow's meeting, can you please let me know whether there are other attendees who should get dial-in information? Also, can you send me a list of the expected attendees? I sent you our side's information last week. Can we count on having at least 2 hours for the meeting? If there is any hard end time, could you let me know that as well? Many thanks. Looking forward to seeing you all tomorrow.
